

# Lived Experiences of Perimenopausal and Menopausal Women with Polycystic Ovary Syndrome (PCOS): A Qualitative Study

BYU IRB # 2025 - 400

**Looking for women in the United States with PCOS to participate in an interview about their experiences.**

Eligible women must be:

- Age 45+
- Have PCOS
- English speaking
- Willing to participate in an interview

If you are eligible you will be expected to participate in an online interview lasting approximately 1 hour via Zoom. Researchers will communicate with you regarding a time convenient for you to complete the interview.

Those who complete an interview will be compensated with a \$30 Amazon gift card.

Anna Benzley, an undergraduate at Brigham Young University is conducting this study under the supervision of Brianna Magnusson, Ph.D., from the department of Public Health at BYU.

This study is titled: Lived Experiences of Perimenopausal and Menopausal Women with Polycystic Ovary Syndrome (PCOS): A Qualitative Study and has been approved by the BYU Human Research Protections Program #2025 - 400.

If you are interested in participating in this research study please fill out the following survey:
